3.5 A waiver by either party of a breach of a provision of this agreement shall not be considered as a waiver of a subsequent breach of the same or another provision.

3.6 If the Customer gives less than the specified amount of written notice to terminate this agreement (as per Clause 3.1) or ceases to use the Services or a part thereof (including reduced usage) or attempts to terminate this Agreement prior to the expiry of the Minimum Term or any subsequent period equivalent to the Minimum Term or fails to achieve any minimum call spend as set out on the Agreement, or if the Customer is in breach of this Agreement. Gateway reserves the right to invoice the Customer for the loss it suffers, which includes loss of revenue for the short notice given for the balance of the Minimum Term based upon a termination fee for each year (or part thereof) for the remainder of the Agreement. 3.8 The rights to terminate this agreement given by this clause shall not prejudice any other right or remedy of either party in respect of the breach concerned (if any) or any other breach. Continued use of the Services post termination will result in Gateway levying its standard published usage charges for all Services used, which charges the Customer shall pay immediately upon demand.

3.9 Where the Customer cancels part only of a bundle of Services, Gateway reserves the right (in addition to its rights under clause 3.7) to charge the Customer for the Services so cancelled in accordance with Clause 3.6 and to amend charges to the Customer for the remaining Services to its standard rates.

Where network connection and/or line rental services form part of the Services the charges shall be paid in advance.

5.2 Usage charges will be such charges for the use of the Services by the Customer as Gateway may notify to the Customer from time to time by e-mail or by post. Details of the Customer's current charges can be obtained by emailing [info@gotltd.co.uk](mailto:info@gotltd.co.uk) with full account details. There will be a minimum monthly usage charge and low usage charge for each Service as set out in Gateway's price list. Usage charges payable shall be calculated by reference to any data recorded or logged by Gateway or its service carrier and not by reference to any data recorded or logged by the Customer. Gateway shall be entitled to estimate the usage charges in circumstances where the relevant data is not available to Gateway in a timely manner, and any estimated usage charge shall be reconciled on a subsequent invoice.

5.2.1 Unless otherwise stated all other amounts due from the Customer to Gateway shall be paid within 7 days of the date of Gateway's invoice.

5.3 If the Customer fails to make any payment on the due date then, without limiting any other right or remedy available to Gateway (such failure to pay being a material breach of this agreement), Gateway may charge the Customer (i) an administration fee of £15 +vat and/or statutory compensation at the prevailing rate and (ii) interest (both before and after any judgment) on the amount unpaid, at the rate of 8 per cent per annum above Barclays Bank base rate from time to

5.8 If any payment is cancelled or returned unpaid by the Customer's bank or if the Customer fails to discharge any invoice within 7 days of its date, then without prejudice to any right or remedies under this Agreement, Gateway shall from the time of such failure provide the Services at the standard published usage charges and in addition the Customer agrees to pay Gateway an administration fee of a maximum of £25 +VAT. For the avoidance of doubt the time of payment is of the essence of this Agreement and a failure to pay on time or the cancellation of a Direct Debit shall be a material breach of contract allowing Gateway to terminate this Agreement immediately. Invoices not paid by Direct Debit incur an additional £5 + VAT or 3% charge of the transaction whichever is the greater.

5.9 Should the Customer have any dispute with regard to the usage charges or any other charges, the Customer shall give written notice to Gateway of the amount in dispute and the reason for the dispute. Any rectification or amendment of such disputed charges are limited to the 6 months prior to the written notification being received by Gateway and remains at Gateway's sole discretion such discretion not to be unreasonably withheld. The Customer shall remain liable to pay all amounts not in dispute in accordance with the terms of this agreement.

6.2 If the Customer is in breach of a material term of this agreement Gateway may at its sole discretion and upon giving the Customer written notice elect to suspend without compensation the provision of Services for a period not exceeding 14 days. If the breach is capable of remedy and is remedied by the Customer within the 14-day period then Gateway shall recommence the provision of Services. ## 7. Liability

7.1 Nothing in this agreement shall exclude or restrict the liability of either party for death or personal injury resulting from its negligence.

7.2 If the Services fails to operate or the Customer diverts traffic to another carrier, Gateway will not be responsible for that carrier's charges.

7.3 Neither party shall be responsible to the other in contract, tort or otherwise for any loss of business, loss of data, contracts, anticipated savings or profits or for any other indirect or consequential loss whatsoever save that this exclusion shall not apply to the fraudulent activities of either party nor to any claw-back or other loss suffered by Gateway pursuant to the determination by an airtime services provider that the Customer has used and/or provided services using the Equipment and/or Services which it deems a gateway.

Such commission may be clawed back in certain circumstances due to the act or omission of the Customer, including if the airtime service agreement is terminated or in respect of gateway or unauthorised use by the Customer. The Customer shall indemnify Gateway against any such claw-back and immediately on demand pay to Gateway an amount equivalent to that clawed-back.
